

## FACILITIES MANAGEMENT

- Office/Indoor Air Quality Surveys
- Building Inspections: asbestos, lead
- Molds, Fungi, Bacteria
- Ventilation systems; HVAC reviews

## WSIB CLAIMS - ERGONOMICS

- Pre-Injury Job Ergonomics Survey
- Third-party "compatibility" opinions
- Physical Demands Profiles
- Return-to-Work Programs
- Job "Suitability" Reviews
- Ergonomic Accommodation Ideas

## TRAINING

- Wide variety of topics
- Generic or workplace specific
- Flexible convenient scheduling
- Hands-on, practical, applied learning
- On-site or Publicly offered
- Ask for topic, scheduling details...

## PROFESSIONAL CREDENTIALS

AIHA Accredited Laboratory

Certified Industrial Hygienists

Registered Occupational Hygienists

Chartered Chemists

Certified Asbestos Analysts

Cdn. Certified Professional Ergonomists

Assoc. Cdn. Ergonomists – Members

Professional Engineers

INCORPORATED

## OSH&E Consulting, Training & Laboratory

AN INTEGRATED TEAM OF SPECIALISTS  
DEDICATED TO SOLVING YOUR  
OCCUPATIONAL HEALTH, SAFETY AND  
ENVIRONMENTAL CONCERNS

[www.oshtechinc.com](http://www.oshtechinc.com)

**OCCUPATIONAL HYGIENE**

- Air sampling surveys
- Designated substance assessments
- Chemical irritants, odour investigations
- Ventilation assessments

**HEALTH & SAFETY**

- Prestart Health & Safety Reviews
- Audit Preparation: Workwell, ISO
- A/I, Work Refusals Investigations
- Policy/Procedure: Review, Development

**INDUSTRIAL ERGONOMICS**

- Physical Demands Profiles
- Ergonomics Surveys re: Injury Risk
- Ergonomics/JHS Committee Support
- Work Design/Engineering Support

**ANALYTICAL/LABORATORY**

- **AIHA Accredited Lab**
- Wide range of sample assays
- Methods: NIOSH/OSHA/HSE/EPA & more...
- Sampling supplies, media, reagents, etc.

**NOISE & VIBRATION**

- Noise Mapping & Personal Dosimetry
- Hearing Conservation Programs
- Noise Control, Acoustical Engineering
- Vibration exposure assessment

**OFFICE ERGONOMICS**

- Basic Surveys of Computer Workstations
- Detailed Surveys re: Injury Concerns
- Purchasing, Design, & Layout Support
- Employee Awareness Training

**WHMIS & MSDS MANAGEMENT**

- Program Reviews & Audits
- Chemical Inventories, MSDS development
- MSDS Management Software
- Employee Training

**HEAT STRESS/STRAIN**

- Workplace Screening/Detailed Surveys
- Workload/Energy Expenditure Ratings
- Temperature "WBGT" Measurements
- Policy & Program Reviews/Development

**ENVIRONMENTAL ENGINEERING**

- Emissions Inventory
- Certificate of Approval
- Community noise: NPC-103, NPC-205
- Risk Reduction Strategies
