

BUILDING MANAGEMENT

- Indoor Air Quality Surveys
- Asbestos Building Inspections
- Molds Investigations
- Vermiculite Testing
- Ventilation Systems - HVAC Reviews
- Lead Paint

ERGONOMICS & RETURN TO

- Pre-Injury Job Ergonomics Survey
- Third-party "compatibility" opinions
- Physical Demands Profiles
- Return-to-Work Programs
- Job "Suitability" Reviews
- Ergonomic Accommodations

TRAINING PROGRAMS

PROFESSIONAL CREDENTIALS

- Topics in Health and Safety
- Generic or workplace specific
- Flexible convenient scheduling
- Hands-on, practical, applied learning
- On-site training or Publicly offered
- Ask for topic, scheduling details...

*OSH&E Consulting, Training &
Laboratory*

*DEDICATED TO SOLVING YOUR
OCCUPATIONAL HEALTH, SAFETY
AND ENVIRONMENTAL CONCERNS*

OCCUPATIONAL HYGIENE

- Air Sampling Surveys
- Risk Assessment & Reduction
- Chemical Irritants, Odour Investigations

HEALTH & SAFETY

- Prestart Health & Safety Reviews
- Audit Preparation: Workwell, ISO
- Work Refusals Investigations
- EHS Policy Reviews & Development

INDUSTRIAL ERGONOMICS

- Physical Demands Profiles
- Back Injury Risk Assessments
- Ergonomics Support for JHS Committee

ANALYTICAL / LABORATORY

- AIHA-LAP, LLC accreditation (ID 157811)
- 200+ Standard Methods For Sample Assays
- Methods: NIOSH/OSHA/HSE/EPA & More...
- Sampling Supplies, Media, Reagents,

NOISE & VIBRATION

- Noise Mapping & Personal Dosimetry
- Hearing Conservation Programs
- Noise Control, Acoustical

OFFICE ERGONOMICS

- Surveys of Computer Workstations
- Repetition Strain
- Purchasing, Design, & Layout
- Employee Awareness Training

WHMIS & MSDS

HEAT STRESS/STRAIN

- Workplace Screening Surveys
- Accurate Workload/Energy Expenditure
- "WBGT" Measurements

ENVIRONMENTAL ENGINEERING

- Emissions & Contamination Surveys
- Certificate of Approval - Air, Noise
- Community Noise Issues

- Program Reviews & Audits
- Chemical Inventories, MSDS development
- MSDS Management Software
